## **Smart nutrition for smart people™**

**Picabi is full of Oligomeric Proanthocyanidins (OPC), a group of potent antioxidants up to 50 times more powerful than Vitamin E and 20 times more than Vitamin C.**

***Picabi = More fruit, less chewing***

Meticulously formulated to provide your body safe, caffeine-free energy throughout the busy day, Picabi 100% sparkling juices are fortified with all natural ingredients. Picabi DOES NOT contain preservatives, sweeteners or artificial ingredients. More nutrients than you would get from your favorite fruits, with truly familiar and gourmet flavors; all packaged in a convenient can!
